Friday 11th November

Dear Parents,

Last week we welcomed our Pre-school children and Families to Whitehouse Primary. What an amazing start, they have all settled so well and grown in confidence so quickly. We have seen some fantastic learning going on too!

Dinosaur Roar!

There was also some commotion outside the school on Monday morning. The children were called out to investigate some giant footprints that had appeared outside the school and worked hard to identify the mystery creature. They also hatched dinosaur eggs that they discovered in a hole near the car park! The Year 1 and 2 children have also been very creative in designing their own dinosaur den! Lots more updates about this exciting topic will appear on the curriculum pages on the website!

School Nursing Service

The school nursing service will be visiting Whitehouse Primary once per term to discuss any concerns or worries you may have (e.g. bed wetting, ill-health, anxiety etc.) They will be available on 8th December from 9am. If you would like to pop in for a chat, please contact reception to arrange an appointment time.

Our mindful school life

How do we make mindful children?

By creating mindful parents and teachers and empowering them to guide, share and live the journey together.

Your children and their teachers have been practicing mindfulness over the last few weeks to improve the quality of their experiences at school and their overall happiness.

What is it all about and why do it?

We'd like to invite you to a workshop on Friday 25th November from 2.45-3.30pm to share what we are doing in school to focus on the well-being of all our children. We value the communication and connections between school and home life and can't wait to make you a part of mindfulness (and yoga too!) at our school.

Christmas Production

The children will soon come home with their parts for our Christmas production – we appreciate your support in helping the children to learn their lines and the songs.

Dates for the Diary
